It is helpful (essential for C&CC sites) that you advise the Sites Co-ordinator of your intention to attend a meet. This may be done as a "provisional booking" without liability at any time in advance of the meet; to be "confirmed" at least 4 weeks prior to the start of the meet in order to guarantee availability of a pitch. With regret limited EHU/HS availability can only be allocated to "confirmed" bookings. Co-operation of members is appreciated.

Booking Details: (Please complete all relevant details)

EHU = Electric hook up (when available). It is regretted that EHU for medical circumstances may not always be available. When availability of EHU is limited a confirmed booking will receive priority on a first come/first served basis. Safety and suitability of EHU is users responsibility - advise Stewards of any concerns without delay.

HS = Hard standing (when available)

		Nights attending (insert "Y" for each night attending)								
Meet						No of adults	EHU Reqd.	HS Reqd.	Additional comments. <i>If you have a medical condition for which EHU is an essential requirement please provide details (in confidence) to the Sites Co-ordinator including power (watts)/current(amps) needed.</i>
