	<p>Both Fort Widley and Isle of Wight Meets will commence at 2pm on day 1 and close no later than noon on day 5. Members wishing to stay on at Fort Widley or wishing to arrive early at Heathfield Farm Camping will please need to make own arrangements separate to both Meets. Members are responsible for making their own ferry bookings. Jeff Morgan has advised that this can be achieved very economically by booking early and being flexible regarding time of travel. Club travel services offer good deals - Click "Book on-line "at the below address - 50% member discount for motorhomes and 20% cars and caravans - together with the very reasonable site fees a very attractive proposition. You will select the required crossing and see the full cost but this will be reduced by the discount at checkout.</p>

	<p>Why not stay on at Heathfield Farm Campsite (who are offering preferential rates) and sign up for one of Jeff's full day workshops. A great opportunity and money well spent - see link below:</p>
