

PHOTOCAMPER EDITOR REPORT

In the latter months of 2018 I passed the Photocamper over to our new Editor, Jenny Smith, and I am sure you will all agree with me that she is doing an excellent job.

I would like to thank all of you who helped me during the time I did this important job and say that contributions from you made it a much easier task. Please continue to send in items to Jenny to assist her with the production of the magazine, I am sure she appreciates all the feedback she receives.

I think that Photocamper goes from strength to strength and is an important part of the running of the Group being a place where we can see photographs taken by fellow members and catch up with what has been going on within the Group.
