

## **Photographic Group**

### **Sites Co-ordinator report to 2020 AGM**

I am writing this as temporary Sites Co-ordinator. Appended is an analysis indicating growth in member attendance. Looking forward bookings are well supported for the 2020 programme with just one set of Stewards to be appointed. Provisional dates for 2021 are published on [www.photogroup.co.uk](http://www.photogroup.co.uk) and the programme is actively building. There is a healthy list of volunteers willing to offer support in terms of talks and workshops. Our popular Meets programme continues well on track.
