

Covid precautions: Information for Photographic Group campers at Brailes

Under no circumstances should you travel or arrive on site if you or any member of your party exhibit Covid symptoms. Should you become unwell during the camping period please leave immediately, follow government advice and advise Stewards by telephone.

Every individual is required to act responsibly and honestly to protect others. Keep up to date with latest government guidance.

The Club is allowing Sections to run campsites (not usual Meets) under the current government Covid restrictions. A legally required risk assessment has been completed and this checklist summarises the actions to be taken at Brailes. Strictly no day visitors.

Preparation and arrival checklist

Copy of booking confirmation

Copy of payment confirmation

Valid membership card(s)

Adequate supply of disposable gloves and wipes

Suitable face covering (s)

Late arrivals after 6pm please telephone **??????????** when 30 minutes away.

On arrival

Stay in vehicle with Windows closed

Follow directions of Steward to either a waiting area or nominated pitch. Steward directions will be a combination of hand signals and signs.

Necessary precautions

Thoroughly wash hands frequently

At all times remain 2 metres from others not in your unit

Use of face coverings and disposable gloves is encouraged

No gatherings other than strictly in accordance with government guidance.

Do not meet others within another unit or awning (unless government guidance allows).

Keep animals under very strict control. Do not let them in close contact with other members.

Drinking water tap and waste/recycling bins

One user at a time

If waiting keep at least 4 metres away (not just 2 metres)

Before and after use please wipe down with a wipe and then dispose of the wipe in your unit rubbish bin.

Tie off waste bags securely.

Chemical disposal point

One user at a time

If waiting keep at least 4 metres away (not just 2 metres)

Before and after use please wipe down all touch points with a wipe and dispose of the wipe in your rubbish bin. NB many types of wipes cause drain blockages. Use your bin for disposal.

Use of a face covering strongly recommended
