

**Only bookings made on the website form will be accepted and confirmed.**

**Notes:**  
 PG requirements are confirmed to all sites but we have to assume until the Club notifies otherwise that our Meets will continue as Covid secure campsite arrangements only and without organised social activities. On that basis all must be “booking essential” and “prepayment”. We will be continuing the policy that stewards are not required to handle cash next year so we will be asking members to pay their site fees at least one month in advance of the booking when we are sure that the meet will go ahead. Further details will be sent nearer the time. Some hall arrangements are pre-booked but may only be used should Covid guidance change.

Please do not make a booking until you are confident of attending. Last minute cancellations add to the workload of the sites team and potentially prevent other members making a booking.

We will always ask for extra pitches if our allocation is oversubscribed. It does not represent the Group at all favourably to secure extra pitches and then cancel at the last minute or experience no-shows.
